Ordnance Survey, United Kingdom, 2017. Paperback. Condition: New. UK ed.. Language: English . Brand New Book. Although deep in South Wales, Pembrokeshire and Carmarthenshire have a strong English influence, but their most striking feature, from the point of view of the walker, is that they contain some of the most spectacular coastal scenery and finest stretches of coast path in Britain. Although the walks in this guide inevitably concentrate on the coast, especially using the Pembrokeshire Coast Path, their characters vary considerably, ranging from the splendid cliff scenery around the peninsula of Dinas Island and to the west of Port-Eynon Bay, to the wooded stretches between Saundersfoot and Tenby. Inland, and by way of contrast, the Preseli hills offer a splendid ridge walk.
