

Genesis Volume 2 NEW COLLEGEVILLE BIBLE COMMENTARY OLD TESTAMENT

By Joan E. Cook Sc

Liturgical Press. Paperback. Book Condition: New. Paperback. 160 pages. Dimensions: 8.9in. x 6.0in. x 0.4in. In the ongoing debate over the when and how our universe began, Genesis chooses to answer the theological question, Who set in motion the beginning of the heavens and the earth. Once that question is answered by vivid and memorable stories, the focus moves to ancestral stories that identify the roots and early branches of the Jewish family tree. This same tree grows in Christian settings as the matriarchs and patriarchs of Genesis appear over and over again in New Testament writings. Given the growing interest in family genealogies, in this commentary Joan Cook leads us to appreciate and delight in our ancient and awesome spiritual heritage as well. We should not be surprised, however, to discover that our earliest spiritual kith and kin were guilty of deceit, marital infidelity, jealousy, and murder. But readers will learn that the God who created the heavens and the earth is also a forgiving and protective God—the God of ancient time, of our time, of all time. Joan E. Cook, SC, teaches Scripture at Georgetown University in Washington, DC. She is author of Hannah's Desire, God's Design (Sheffield Academic Press,...

Reviews

This book is definitely not straightforward to get started on studying but extremely exciting to read. It is really simplistic but shocks in the 50 percent of the ebook. Once you begin to read the book, it is extremely difficult to leave it before concluding.

-- Ally Reichel

This publication is amazing. It is definitely basic but shocks in the fifty percent of your publication. You won't feel monotony at anytime of your own time (that's what catalogues are for concerning if you question me).

-- Prof. Kirk Cruickshank DDS
