Reviews

This type of publication is every thing and helped me seeking ahead and much more. It usually fails to charge too much. It is extremely difficult to leave it before concluding, once you begin to read the book.

SOL INVICTUS: A CHRISTMAS TALE (PAPERBACK)

Createspace, United States, 2014. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Wow is all I can say after finishing Sol Invictus. I like the macabre and have a huge collection of Poe, Dahl, and Doyle. However, this writer was able to throw in twists I never saw coming without compromising the storyline or sacrificing the wonderful dark humor that pervades this novella. - C. Duffie This story grabbed me from the start and the slow reveals were enough to keep me guessing with each step. A unique, truly frightening take on the holiday. A fast-paced, excellent read. - Author, Jonathan Praise ** Sol Invictus is a supernatural horror that sharpens the modernized mythology of American Gods to a razor-sharp edge. The undertones of psychological trauma, abuse and repression fill this book with shadows that will shock you with their words and haunt you with their memory. Above all else, Sol Invictus has a conclusion that you will never expect and you do not want to miss. If you're a fan of fast-reading stories unlike anything you've ever experienced, Roe's premier novella will earn a permanent place on your bookshelf. From start to finish, my heart raced. I loved the characters and could actually feel their pain and power. And the ending was definitely the best! What a fascinating novel. If you are looking for a page turner, you'll find it right here! - Mel You'll have to read it to believe it. .and when a dark god has come to hunt, belief is the only thing that can save you.
