F*CKED: BEING SEXUALLY EXPLORATIVE AND SELF-CONFIDENT IN A WORLD THAT S SCREWED**DOWNLOAD**

HarperCollins, 2017. CD-Audio. Condition: New. Unabridged. Language: English . Brand New. The creators of the top-rated Guys We F*cked: The Anti Slut-Shaming Podcast explore the diversity of human sexuality in this open, empowering, shame-free conversation about sex--from vanilla to kink, from one night stands to abortions, and everything in between. Fucked if you do, fucked if you don't. For many people, that's the sad truth about sex today. When comedians Corinne Fisher and Krystyna Hutchinson decided to start a podcast called Guys We F*cked wherein they interviewed guys they'd slept with, they soon discovered just how fucked we actually are--in more ways than one. Funny conversations about sexting and blow jobs quickly evolved into more serious topics as Corinne and Krystyna got to know their fans, who'd sometimes been sexually assaulted, verbally and emotionally abused, and most often, experienced intense, profound shame. F*cked brings this mix of raw and ridiculous conversation to the page with uncensored, in-depth essays from two blunt, hilarious women who've had their share of sexperiences, and spent their last few years telling everyone about them. Razor-sharp, laugh-out-loud commentary will include why shame is completely made up and how we can stop giving into it; sex talks with celebrities and real, raw questions from listeners with advice on intimate matters; stuff we should stop doing: snooping, nitpicking our bodies, and faking orgasms; investigative reporting in the field--from sex work to rape centers; masturbation, threesomes, porn, and much, much more. Sex is weird, and wonderful, and Corinne and Krystyna leave no stone unturned in this tour of kinks,...
