Createspace, United States, 2012. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.There are four basic elements operating in every action related to success, power and money. These elements are also the crucial ingredients within the law of attraction, behind its application and justifying its success. For anything that we choose to achieve in life, we must understand how these elements interfere with reality and among themselves. When Buddha and many other Prophets stated that reality is only an illusion, they were at the same time explaining that only these elements are real. We may observe the material world but not the invisible elements composing it. They are Individuality, Intuition, Inspiration and Energy. The secret of life is based on these 3 Is directed by an E. In other words, power, wealth and success, request an individual purpose, a guided intuition, an inspired act and a directed energy to be obtained. However, this energy can be either positive or negative, and this is what defines results within our life. This positive and negative energy transforms our soul and is the root of our karmic experience. Knowing how these four elements interact means more than an understanding about how the law of attraction works or who we are, because they represent the essence of life in the universe. This said, the one that follows a negative energy, has a selfish individuality, an evil intuition and a diabolic inspiration, while the one following a positive energy has an altruistic desire, a sacred intuition and an enlightening inspiration. The difference in both paths defines not only what we achieve but also what we re born to do. People choose the vibration of energy they wish to experience and, in doing so, they redefine their karma and shape their...
