Createspace Independent Publishing Platform, United States, 2014. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Want to make sure you secure a high paying job in your field before you leave college? Are you frustrated by the lack of call backs from all your submitted applications? Do you want to learn the inside strategies for securing a job in a book that won t bore the shit out of you? Holy Shit! Am I Really About to Graduate?: Teaches you the inside secrets of how young adults can get good jobs in this economy. Saves you time and frustration by showing you the right way to approach the application process. Shows you how to use the services your college provides you to get ahead of the field. Was created for college students and recent grads, not their parents and cuts straight to the point. You have far more important things to do than spend all day applying to jobs. There s pong to play! Saves you from having to move back in with your parents after college! Teaches you How to Get a Job Like a Boss. You have spent 4 years learning key skills to do a job. Spend 1 hour reading this book to make sure you secure a good job so you can use those skills. Many graduating students don t even try to get a job after college. They doubt they can get a job because of the economy. Their friends are giving up right and left. Their professors are telling them that there is little chance of them securing a job. Many students do try but after filling out 50 online applications and not getting a single call back, not even a rejection letter they...
