Excerpt: . . . 11 stand the dense, legalistic correspondence they get from the gov-ernment. In most cases this lack of understanding is not the readers fault, but rather reflects the confusing writing style of the agency. Though I am tempted to provide examples of some of the most in-accessible government writing we have uncovered, I instead will refer you to our written statement as well as those of others. Sometimes these examples of government writing are comical, but the joke unfortunately is on the taxpayer. It is common sense that the use of plain language in government documents will save the federal government an enormous amount of time that is now spent helping people understand the information they receive. It will also reduce errors in peoples response to what the government sends out. It also will reduce complaints from frustrated citizens. In short, plain language will result in more efficient and effective government. Mr. Chairman, the goal of plain language is simple: make the documents the government uses understandable on the first read. Though the goal is simple, the benefits are tremendous. Others will testify with some very impressive statistics which will underline that concept. Finally, AARP respectfully encourages Congress to adopt the sen-sible and much needed legislation. Thank you. prepared statement of Mr. Romasco may be found in the Appen-dix on page 40. RALEY Chairman B. Thank you. Our next witness is Mr. Todd McCracken. He is the President of the...
