Everything the Heart Wants: A Novel (Paperback)

By Savannah Page

Amazon Publishing, United States, 2017. Paperback. Condition: New. Language: English . Brand New Book. Writer Halley Brennan couldn't dream up a better love story than her own. Married for eleven years, she and her husband, Adam, are still living their happily ever after. They both know what they want--and don't want--for their life together. And that includes being child-free. But when one of them has a change of heart about wanting a baby, it brings their marriage and life plans into harsher focus. Devastated that this bombshell might destroy their relationship, Halley finds comfort in her closest friends: Nina, who's finally pregnant after years of trying; her sister, Charlotte, an overwhelmed mother of three; and Marian, a successful businesswoman who regrets letting go of her one true love. Now, with their guidance and support, Halley begins a painful journey of self-discovery. As she searches her heart to make a life-changing decision for both herself and Adam, she realizes that someone is bound to get hurt. Will their perfect love be too great a sacrifice for everything her heart wants?.

Reviews

Extensive information for book fans. It is written in basic words and never hard to understand. It is extremely difficult to leave it before concluding, once you begin to read the book.

This publication is great. It is full of wisdom and knowledge. You will not really feel monotony at any time of the time (that's what catalogs are for relating to when you ask me).
