Createspace Independent Publishing Platform, 2015. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.This book is a guide on how to develop a Yelp strategy for your business and then how to drive solid business rankings within Yelp, obtaining quality 5-star reviews from your customers and clients. It also describes when you should think about getting 5-star reviews and quite simply how and when to ask for them. Since most of the time, improving your businesses overall score relies upon 5-star reviews, knocking down the importance of a 4-star review, you ll learn the best practice techniques to do it. This book is ideally suited for a business owner or marketing manager, or someone who is looking to start a business. This book could also benefit marketing agencies, social media consultants and anyone else who frequently advises small or medium businesses routinely. Larger businesses, known as Enterprises, may also benefit if multi-locations are part of the business model and having a Yelp strategy for each store or within a geography. Some parts of improving a business Yelp listing with 5-star reviews is simple: it s characterizing your business correctly and explaining what you can and simply can t do in the nicest possible way. Think of getting a great standing with your business Yelp listing to be a marketing initiative. There are two parts of every marketing initiative, no matter how big or small your company is. There is the strategy - or the blueprint to your story: this is the approach on how you will tackle something. Your business will have a checklist of what to do to implement your strategy, which is your tactics -the actual to-do steps with your business, with Yelpers, and following their reviews. This book will go through both....
