

Precedent in the United States Supreme Court (Hardback)

By -

Springer, Netherlands, 2014. Hardback. Condition: New. 2013 ed.. Language: English . Brand New Book. This volume presents a variety of both normative and descriptive perspectives on the use of precedent by the United States Supreme Court. It brings together a diverse group of American legal scholars, some of whom have been influenced by the Segal/Spaeth attitudinal model and some of whom have not. The group of contributors includes legal theorists and empiricists, constitutional lawyers and legal generalists, leading authorities and up-and-coming scholars. The book addresses questions such as how the Court establishes durable precedent, how the Court decides to overrule precedent, the effects of precedent on case selection, the scope of constitutional precedent, the influence of concurrences and dissents, and the normative foundations of constitutional precedent. Most of these questions have been addressed by the Court itself only obliquely, if at all. The volume will be valuable to readers both in the United States and abroad, particularly in light of ongoing debates over the role of precedent in civil-law nations and emerging legal systems.

Reviews

An exceptional pdf and the typeface utilized was fascinating to read through. It can be written in straightforward words and phrases instead of confusing. I am just quickly could possibly get a delight of looking at a written ebook.

-- Prof. Arlie Bogan

It is a single of the best book. This is for those who state there had not been a well worth reading through. Once you begin to read the book, it is extremely difficult to leave it before concluding.

-- Dr. Barney Robel Jr.
