

The Inadequate Adept (The Reluctant Sorcerer) (Volume 2)

Filesize: 8.05 MB

Reviews

This written publication is fantastic. This can be for anyone who statte that there had not been a well worth reading through. I realized this pdf from my i and dad recommended this publication to discover.
(Maye Schoen)

THE INADEQUATE ADEPT (THE RELUCTANT SORCERER) (VOLUME 2)

CreateSpace Independent Publishing Platform. Paperback. Condition: New. This item is printed on demand. 218 pages. Dimensions: 8.0in. x 5.0in. x 0.5in. The Voice in the Ether Trying to discover time travel, scientific genius Dr. Marvin Brewster accidentally transports himself to a parallel universe that suspiciously resembles the setting of a fantasy novel a strange, medieval world where magic really works, unicorns hate virgins and smell terrible, elves drink human blood and play guitars, dwarves wear dreadlocks and flannel plaids, talking dragons dream our universe, and sorcerers are powerful enough to detect the presence of the narrator and attempt to take over the plot. Trapped without his time machine, which has mysteriously disappeared, Brewster enlists the aid of the residents of Brigands Roost to help him find it, in exchange for bringing some progress to their village in the form of solar power, showers, prescription lenses, a wondrous, alchemical concoction he calls soap, and a strange, lightweight metal called aluminum. However, any science that is sufficiently advanced would seem like magic to those who didn't understand it, and the Sorcerers and Adepts Guild takes a dim view of anyone who practices magic without paying their dues. This item ships from La Vergne, TN. Paperback.
