

## Playlady: Tales of a Recreational Therapist

By Vesta Edmonds

Outskirts Press, United States, 2011. Paperback. Book Condition: New. 226 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.The tough, know-it-all boys who have been kicked out of school, engaged in theft, and generally been incorrigible, aren't quite so macho when a leech attaches itself to their leg. They also don't really know how to paddle a canoe, but want everyone to think they do. Wilderness therapy works. Joel looks like he's very retarded. His ear is on his chin, his eyes are placed in the wrong area of his face, he has a severe cleft lip and palate. Not assuming the degree of his mental deficiencies, Playlady teaches him to throw soft balls and bean bags across the room, and laugh. Much to the dismay of the nurses. Don, known to the nurses as the femur in 360, will have his leg in traction for 6 weeks, but it doesn't squelch his need to play. It does challenge the Playlady to find ways of providing activities that he loves. When Little Mary came to pediatrics, Playlady had to decide whether to stay aloof, or throw herself into the team caring for a...
