Reviews

This ebook will never be effortless to get started on studying but extremely fun to read through. It is actually written in easy phrases and never difficult to understand. It is extremely difficult to leave it before concluding, once you begin to read the book.

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from The Decay of Capitalist Civilisation We may as well forestall the obvious criticism that this little book is not constructive. It is not intended to supply a plan of reconstruction. For such a plan, in considerable detail, the reader is referred to the works advertised in the final pages; and particularly to A Constitution for the Socialist Commonwealth of Great Britain, and, on another plane, The Prevention of Destitution; or, in the form of a political programme, the pamphlet of the British Labour Party, Labour and the New Social Order (33 Eccleston Square, London. Price Threepence). We gratefully acknowledge the help of various friends, who will excuse the omission of their names. But we cannot refrain from expressing our deepest gratitude to our oldest friend and comrade, Mr. Bernard Shaw, who kindly undertook the revision of the proofs in the midst of a General Election when we were otherwise engaged. 41 Grosvenor Road, Westminster, January 1923 [The opportunity of a Second Impression has been taken to correct various verbal and literal errors, principally in the quotations and references.] About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books.
