It makes writing, editing, publishing and marketing it so much easier. In a weekend (or series of weekends) you will: - Go from no idea to THE Idea and know what your book is about Have your outline strategy completed Know who your reader is Have your book outline, chapter plan and chapter framework Know what content you have, where the gaps are and what new content you need to write How long it will take you to write, edit and publish Have your master plan by your side to help you to complete and publish your book Have your first draft written If you want to stand out from the competition and increase your bottom line, you need a book. Being a published author allows you to position yourself as an expert. If you have ever wondered how to get started on becoming a published author and writing a non-fiction book, then this book is for you. If you have been writing your book for a while and it s now in a mess, this book is for you. It will help you to go back to basics and untangle what you have written and get you back on track. The BEST way to write a book, is to plan it out first. This book gives a number of steps to do just that. Taking you right through the book planning process through to writing your first draft. Plan your non-fiction book in a weekend guides you towards creating a writing, editing and publishing plan that will work best for you, and helping you to chart a course through the entire planning and...
