

Snow Adrift (Paperback)

By Rex Kusler

Amazon Publishing, United States, 2013. Paperback. Condition: New. New.. Language: English . Brand New Book. Former Las Vegas homicide detective Jim Snow's luck has been going from bad to worse, spurred by a series of rash decisions and a quickly developing mid-life crisis. He quit the force a few years ago to play poker for a living and has been losing steadily for months. His money is running out--and so is his live-in girlfriend. After one of Snow's poker buddies--a real estate investor and landlord who worked as a clown--is found shot to death in his home following their weekly game, Snow finds himself under suspicion by his former Metro Homicide partner, Marcia Stevens. At forty-four, Snow is in the worst mess of his life. He's not sure what to do, who to turn to, or who to trust as he scrambles to stay one step ahead of an arrest warrant for first-degree murder. Smart and tightly plotted, Snow Adrift is the hardboiled origin story to Kusler's popular Las Vegas Mystery series.

Reviews

Merely no words to explain. I really could comprehend everything out of this published e book. I found out this publication from my dad and i suggested this publication to learn.

-- Prof. Margarita Ledner PhD

This written pdf is fantastic. It normally is not going to expense a lot of. It is extremely difficult to leave it before concluding, once you begin to read the book.

-- Gilbert Stroman
