Andrews McMeel Publishing, United States, 2011. Paperback. Condition: New. Original. Language: English . Brand New Book. Inside Jane s Guide to Dicks (and Toms and Harrys), best-selling authors Ross and Kathryn Petras offer tongue-in-cheek lessons to help your average Jane suss out all the Dicks (and Toms and Harrys) they encounter along the way to finding Mr. Right. Once upon a time, Jane didn t know Jack about Dick; however, after careful research, study, and observation, Jane is now an expert on boys, and she s ready to share all her special secrets to help good girls everywhere find their own Dicks (or Toms, or Harrys). Four-colour art appears throughout, and each special secret offers suggestively irreverent and sassy quips such as: * Not all boys are created equal. Some of them have BIG machines. Some of them have SMALL machines. A big machine is usually BETTER! (But not TOO big!) * Just because he has balls doesn t mean he wants to shoot a basket in your--or any other girl s--hoop! * Boys who stare at your chest and forget you have a face are the REAL boobs!.
