Createspace Independent Publishing Platform, United States, 2014. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. I was once a lukewarm Christian. If you had asked me back then whether I believed in God I would have replied Yes, I m a Christian. I believed, without any kind of conviction, that Jesus was the Son of God and his crucifixion and resurrection. But I didn t really understand what He did on the cross and I didn t really care. In my mind God was some kind of ancient, eternal figure who was not really relevant to me. Emerging from a dark period of my life, with a real hunger for something real and meaningful, I eventually found myself seeking God. After a short testimony, the reader will be guided to take a deeper look at their own life and what the world really has to offer them, compared to God. Also looking at some of the more fundamental questions regarding the Christian faith, the book will present many thought provoking, difficult questions and hopefully, provide meaningful answers that will ring true in the heart of the reader. A book to help those who are still sitting on the fence in regards to their faith in Jesus, and are interested in taking the next step towards God.
