Forgotten Books, 2018. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from Progress and Achievements of the Colored People: Containing the Story of the Wonderful Advancement of the Colored Americans; The Most Marvelous in the History of Nations; Their Past Accomplishments, Together With Their Present-Day Opportunities and a Glimpse Into the Future for Further Developments HE progressive era aims to set forth the marvelous achievements of the Negro race in the United States since its emancipation fifty years ago. Its plan is to cover the period of achievements by a series of chapters devoted to the several lines of endeavor. I want especially to commend the chapter on the Education of the Negro. Education furnishes the standard in terms of which the past progress of the race may be measured and its future progress gauged. Of the many elements which must enter into the final solution of the race problem none will be so important as that of education, whose purpose is to fit the Negro for a useful and honorable place in the complex schemes of American life. This chapter brings together for easy reference information concern ing the working of...
