## When Governments Stumble: Lessons from Zimbabwe's Past, Hope in Africa's Future (1st New edition)

By Ben Freeth

Lion Hudson Plc. Paperback. Book Condition: new. BRAND NEW, When Governments Stumble: Lessons from Zimbabwe's Past, Hope in Africa's Future (1st New edition), Ben Freeth, Ben Freeth established his credentials to write on this topic through his courageous and successful resistance to the bullying tactics employed by the Mugabe regime in Zimbabwe to throw him and his family off their land, a story told in *Mugabe and the White African*. He now throws his net wider to ask: what response should Christians make to corruption and injustice when perpetrated by governments? Justice is a fundamental aspect of the Judeo-Christian faith. Ben explores this theme through his own experience of government oppression in Zimbabwe, and through contemporary instances where Christians have - or have not - stood up to be counted. He considers the Biblical injunction to obey your rulers, and examines the issues of fear and complacency: sometimes Christians are compromised by their relationship with the ruling group. What is our duty? Most Christians feel powerless. What can we actually do, as individuals, and as a group?.

### Reviews

*I actually started looking over this publication. It really is rally interesting through studying period. Once you begin to read the book, it is extremely difficult to leave it before concluding.*

-- Dana Hintz

*Good electronic book and valuable one. It really is basic but unexpected situations in the 50 percent in the pdf. You wont really feel monotony at at any moment of your time (that's what catalogues are for concerning when you ask me).*

-- Elisa Reinger
