A trailblazing engineer renowned for his lifesaving medical devices, he is tormented by a tragedy that engulfed his soul three years before. Meanwhile, he battles to stay afloat in a ravaged America trapped within the grip of the Triantarchy, a cabal of ruthless feudal lords consolidating their power in the wake of a catastrophic economic collapse and the horrors that ensued. As Tim wrestles with the twin conundrums, he becomes ensnared by a web of mystifying dream visions, some drawing him into an eerie and otherworldly realm, others into a canvas of memory he has long shunned. Desperate for answers, he digs deeper, only to discover a shadowy family history long consigned to the mists of oblivion, alongside nightmarish omens of an inscrutable force.
