Createspace Independent Publishing Platform, United States, 2013. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Half a century after terrorists unleashed a deadly virus, civilization has been reduced to a mere fraction of its original intensity. His people unaffected by the virus, Danny Kendricks has spent his youth inside an isolated community surrounded by a towering wall-the Compound. Now full grown, he fights off the guards who keep the people imprisoned and the cannibalistic sub-humans who live beneath the town. Danny breaks out and journeys first across open grassland and then barren desert until he is captured by a band of diseased humans who call themselves Ahwahneechee. After a harrowing escape Danny stumbles upon the beautiful Valley of the Bison, home of the untainted Merikan. There he rescues the enchanting Atlana from the lustful grasp of a plague-tainted Ahwahneechee only to later be ambushed by the same beast man; he is knocked unconscious and Atlana kidnapped. Danny and a few friends follow Atlana s trail into the desert country known as the Burning Land. Ultimately captured by the Ahwahneechee the small group is thrown into the Arena where they must fight against monstrous beasts or perish! Mr. Ebner s writing is reminiscent of author Edgar Rice Burroughs, a breath of fresh air reborn in today s horror market. WARNING: ADULT CONTENT.
