

## The Amish Research Guide: Crafted for the Englisher Writer and Non-Writer

Filesize: 3.06 MB

### ***Reviews***

*It is one of the most popular pdfs. It really is full of knowledge and wisdom. It has been developed in an exceptionally easy way and it is just right after I finished reading through this publication by which it really altered me, altered the way in my opinion.*  
*(Dr. Alexa Rogahn)*

## THE AMISH RESEARCH GUIDE: CRAFTED FOR THE ENGLISHER WRITER AND NON-WRITER

Diana Fletcher-Dezeew, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.This book is written for ALL age groups, from grade school through to adult, and is geared for those interested in writing fiction about the Amish but is of value to nonfiction writers as well as those who have a fascination with and want to learn about this intriguing group. Exactly who are the Amish? Are they a religious cult? A bunch of reclusive kooks? Or are they a legitimate Christian denomination? When you use the word Amish, more questions than answers materialize. Do they really believe that forswearing electricity makes a person holier ? How can they be so cruel as to shun, ostracize, a fellow member for wearing a hat that has a slightly too narrow brim width? Do they major on minors? The Amish are a source of interest worldwide, although today they are found only in North America. They are both admired and reviled for their dogged determination to remain separated from the world, to stay true to their Anabaptist roots. Family, friends, faith are principles that guide and shape them. They seek to incorporate their interpretation of Biblical teaching into every aspect of their day-to-day lives. Because of the popularity of all things Amish, non-Amish Englishers and especially writers are being challenged to learn all they can about their way of life. This is not easy when the subjects are determined to live off by themselves, effectually caught off from modern-day society. Fiction writers, for example, need to be able to create true-to-life Amish characters living in realistic Amish districts. Solid research becomes crucial, especially for the non-Amish writer who has little to no personal experience with this self-isolated group. The Amish...
