TO: KIDS, PARENTS AND TEACHERS: KIDS EDUCATION (PAPERBACK)**DOWNLOAD**

Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Large Print. Language: English . Brand New Book ***** Print on Demand *****. I have got my Ph.D. from Bangor University, UK in 1989. I worked in the fields of education and teaching more than 26 years. I taught students at the University of Anbar and Sanaa. I worked in several educational and academic positions at both universities. Through my experience, I found many problems which are facing kids and students. I was thinking that kids/students can cross these problems through the stages of study in the kindergarten, primary and secondary schools before arriving the university. So, I decided to write this book. This book carries a lot of tips and instructions for teachers, parents and children themselves. I wrote this book based on the most important and the latest international educational experiments, by scientists and doctors in addition to our long experience in the field of education. I hope from this contribution to give the appropriate instructions for parents and teachers how to deal and teach kids. There is no taste and no color for life without presence of children. Children are the grace and without them, days become frown, like autumn nights. Which leaves began falling from tree. Children are the life flowers. Therefore, they are most important of their rights on their parents to get right health, education, teaching, manner and behavior. This qualifies them to rebuild their life and future on a sound basis. It makes them useful people for themselves, society, homeland and their future. No doubt, we are a humans among other creatures, we have the ability to distinguish between harmful and beneficial, good and bad. So when we get kids boy or girl, we should pray and thank god. We should try with...
