Reviews

This type of publication is every thing and helped me seeking ahead and much more. It usually fails to charge too much. It is extremely difficult to leave it before concluding, once you begin to read the book.

LEGENDS AND TALES OF OLD MUNICH (CLASSIC REPRINT)

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 228 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Legends and Tales of Old Munich Franz Trautmann was born on March 28th, 1813, in Munich, and died in the same city on November 2nd, 1887. His name is closely associated with the story of old Munich. He it was who interpreted, by written and spoken word, the poetry and chivalrous romance of the Bavarian capital in those contemplative times, now vanished, which he himself in part experienced. In our days of automobiles and air-ships people have changed. But for that very reason it is not only refreshing to be carried back to old times, of which many carefully preserved memorials exist to-day in Munich, but also comprehension, interest and love for the old scenes from which our beautiful Munich rose and expanded are thereby awakened. Among Franz Trautmann s numerous works, touching for the most part upon old Munich, a little volume, Alt-Munchener Wahrund Denkzeichen, was first published in 1864.
