Reviews

A high quality pdf as well as the typeface applied was exciting to see. It really is written in simple words and phrases rather than difficult to understand. You will not really feel monotony at any time of your time (that's what catalogs are for relating to in the event you question me).

A&U Children's, 2017. Hardback. Condition: New. Tashi has amazing adventures, like the time the Baba Yaga's house blew into the village on the winds of a terrible storm, and when he found a genie and rode on a flying carpet. Tashi has stories about a big smelly giant, a haunted house, and a proud golden phoenix. And he must be very clever when the Book of Spells is stolen, and almost magical when he tries to save the Baron's dog. Tashi's friend Jack loves hearing Tashi's stories, and so do children all over the world. In this storybook, Anna and Barbara Fienberg have chosen some of their favourite Tashi stories, and written a new one called Kidnapped! All children should meet Tashi. He can be their mentor on the road to reading, feeding their imaginations with fantastic stories. The Tashi stories have the evergreen qualities of classics.' MAGPIES 'I read my kids Tashi - it's this story that they love' ANGELINA JOLIE. Hardback.
