

Canute the Great: The Cup of Water (Classic Reprint) (Paperback)

Filesize: 1.97 MB

Reviews

A really wonderful book with lucid and perfect reasons. This can be for all who statte there was not a worth reading through. You are going to like how the author write this book.

(Dr. Grady Jacobi DDS)

CANUTE THE GREAT: THE CUP OF WATER (CLASSIC REPRINT) (PAPERBACK)

Forgotten Books, United States, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from Canute the Great: The Cup of Water IT may be remarked at the outset, that that reader will be least chafed by the historical inversions in these pages who remembers of the period treated simply what he learned as a child. Emma s marriage with Canute, which did not take place till after the death of Edmund, in this work immediately succeeds the partition of the kingdom. Again, by special treaty, Eric and the Danish ships were allowed to winter in the Thames after this division for dramatic purposes Canute is placed in command of his feet within sight of London. In justice to Canute it should be added, that not one English writer directly charges him with the murder of King Edmund. It is also due to Edric, earl of Mercia, to admit that there is no distinct evidence that he was the author of the crime. Even on the supposition that he was guilty, a hint of a single chronicler is the only authority for assuming that he chose his young son to be the instrument of his wickedness. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
