Blurb, United States, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. In my college writing class I was told to write a modern day Cinderella story. I was not looking forward to it because I hate writing happy stuff. I pull my creativity from a place of pain not a butterflies and rainbows sort of place, and I do not believe in happy endings. Then I learned that I could use my own style and put my own twist on this cliche story, so this is it, this is my shock value take on Cinderella. Enjoy if you dare. On a side note I want to thank my professors Sarah Kirk and Sara Rufner for helping me become a better writer. This story I am dedicating to you.
