CreateSpace Independent Publishing Platform. Paperback. Condition: New. This item is printed on demand. 42 pages. Dimensions: 8.0in. x 5.0in. x 0.1in. A captivating, mystical and erotic story about the life before Earth. The first world was ideal, the first humans were immortal, everything was given to them to ensure a happy and endless future and life seemed to be going perfect. But there was a curious angel who changed the course of life. To begin with, angels hadn't any feelings, they were cold, emotionless creatures wandering around the new world and examining the surroundings. But one of them learned to feel and to see the beauty of God's creation and for that life, even the angel was surely ready to leave even Heaven. Beautifully descriptive. Timeless characters. A unique point of view. Pretty short story for quick read. Professional editing by Victoria Zurakowski and T. C. Doust. This item ships from La Vergne, TN. Paperback.
