Basic Books, 2009. Book Condition: New. Brand New, Unread Copy in Perfect Condition. A+ Customer Service! Summary: Washington Post & Davis put it together in a way that illuminates the underbelly of medical research." O magazine "In her devastating, 20-years-in-the-making expose. Devra Davis. shows how cancer researchers, bankrolled by petrochemical and pharmaceutical companies, among others, collude in "the science of doubt promotion." Davis diagnoses two of the most lethal diseases of modern society: secrecy and self-interest. This book is a dramatic plea for a cure." Discover Davis's new book, THE SECRET HISTORY OF THE WAR ON CANCER, is a wake-up call for all those who have accepted the poisons of our age of plenty without a blink. Lancet Oncology A feisty and highly accessible writer, Davis lays her cards on the table & a rattling good read and raises vital issues that remain relevant today. Booklist starred review & several big ACS [American Cancer Society] contributors, are heavily invested in keeping the public from becoming fully informed of the risks of myriad chemicals to which we and our children are exposed & Money, it seems, trumps all. Treatment and cures are hefty profit generators, and it's expensive to change or eliminate the use of potentially toxic chemicals & Kudos to Davis for stepping up to the plate. The Times (Higher Education Supplement) The Secret History of the War on Cancer reflects the complex interaction of science, politics and society in the 20th century. I am left wondering how it will change in the 21st. Toronto Globe & Mail & easily the most important science book of the year & Each and every chapter in this book offers an uncomfortable revelation. Cleveland Plain Dealer Davis is excellent at following the money and fearless about naming names & With this work, Devra Davis has permanently reframed the war. It should be required reading for those with cancer...
