The Seventh Sense The Secrets of Remote Viewing as Told by a Psychic Spy for the U.S. Military

By Lyn Buchanan

Gallery Books. Paperback. Condition: New. 320 pages. Dimensions: 8.8in. x 5.9in. x 0.8in. For the past thirty years, the United States government has secretly trained a select corps of military personnel in the art of remote viewing -- the psychic ability to perceive the thoughts and experiences of others through the power of the human mind. . . . Now, for the first time, Lyn Buchanan -- a world-renowned expert on remote viewing and its potential -- tells the complete, candid story of his experiences. Assigned for nearly a decade to a clandestine U. S. Army intelligence group, Buchanan trained military personnel who utilized their inherent psychic abilities as a data-collection tool during the Iran hostage crisis, the Chernobyl disaster, and the Gulf War. In this incredible account, Buchanan tells how he was selected for his unique psychic abilities, and how he was transformed from an ordinary soldier into one of our nations leading psychic spies. Working on top-secret government and military projects using mental espionage created permanent, life-altering changes within Buchanan. Now, after many years of analysis and interpretation, he reveals the techniques and mental exercises used to train remote viewers, and demonstrates that each of us carries a dormant...
