

Looking Landwards

By Adrian Tchaikovsky, Storm Constantine, Den Patrick

NewCon Press, United States, 2013. Paperback. Book Condition: New. 210 x 148 mm. Language: English . Brand New Book ***** Print on Demand *****.With the impending crises of climate change, scarcity of water, dwindling energy reserves and spiraling global populations, the effective management of our land and the food it produces has never been more relevant. Established in 1938 by a small group of far-seeing and enthusiastic engineers and agriculturalists, the Institution of Agricultural Engineers provides a professional nexus for the scientists, technologists, engineers, and managers working in the many and varied forms of land-based industry. In 2013, to mark their 75th anniversary, the IAgRE have commissioned a book that looks forward at what the future might hold. To help them achieve this, they approached NewCon Press. Looking Landwards attracted submissions from within the UK, from the USA, Australia, mainland Europe, Africa, and Asia; from professional writers and would-be writers, from scientists and engineers who are actively involved in dealing with the book's themes to people who have simply been inspired by them. Looking Landwards features the very best of these stories. Twenty-three works of science fiction and speculation that dare to look to the future and examine what...
