WestBow Press, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Could your false beliefs actually become iron bars? Josh Billing once purposed this same line of thinking in a quote that has been morphed down through the decades: It ain't what you don't know that gets you into trouble. It's what you know for sure that just ain't so. Regardless of whatever morphing this quote may have endured, it has merit. The principle aptly applies to what so many of us experience with regard to our fundamental beliefs about God and what we understand to be the requirements God may be demanding of us. But what if what you know about God . just ain't so? Portals Pearls was written to provoke you to reevaluate what you think gospel truth actually means. With devotional-designed chapters, Portals and Pearls is formatted and filled with bite-size ruminations that are engaging, entertaining, and inspiring. In her colorful and clever style, Sherri weaves God's Word into her adventurous personal experiences to empower lives with freedom and transformation.
