

## Office Wife 5: Team Building (Paperback)

By Lucy Apple

Createspace Independent Publishing Platform, United States, 2014. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.A team that plays together-stays together! The Office Wife wins her first major assignment. Can she handle it? New troubles brew at the office as Amy, the Office Wife, discovers plans for a hostile takeover of the company. With fears rampant and rumors running wild, morale in the cubicles drops to an all-time low. Mustering courage to propose a solution to her dominant female boss, however, lands Amy a controversial, perhaps even impossible, assignment. Of course, it involves sex. Lots and lots of lesbian sex (with a man or two thrown into the mix, here and there, for variety s sake). To complete her assignment and please her boss, Amy must enlist the help of her increasingly-submissive friend, Jemma, from reception, as well as her closest ally: nerd-punk girl and IT department maven, Casey. Together, this threesome: one MILF and two girls barely out of their teens, must take action to break open the log-jam of sexual tension affecting the whole team, unleashing the powerful, productive energy of uninhibited lust and unfettered desire, once and for all.
