The important features may be summed up as follows: 1. They are musical. 2. They stress not only the technical side of flute performance but contain many fine cantabile passages for the development of tone quality and phrasing. 3. Excellent material for review work, and reading experience for more advanced pupils. 4. Their construction is conducive to accuracy, the rapid passages being interspersed with easy passages. Therefore, useful as a preliminary to the perpetual motion type of study so much in evidence, in the advanced flute study repertoire. 5. The length of the studies prohibit boredom, a very important point in teaching young players. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.
