With the passage of time, the body loses its original properties and weakens; the heart pumps blood at a slower pace, the bones become more brittle, the veins become worn out and so on. In order to maintain the body in its healthy state, a planned physical routine is necessary. Just because you re aged 50 plus, doesn t mean the time to take care of your body has ended. On the contrary, the time has just come. It is very vital for senior individuals to take care of their body right...
