

Business and Economic Statistics Study Guide (Paperback)

By Kristofor Paulson

Cognella Academic Publishing, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Business and Economic Statistics Study Guide is designed to complement and enhance the teachings of the textbook Breaking through the World of Statistics. This guide provides students with additional opportunities for practice and analysis using a three-step approach. For each section of the guide, students first review key learning objectives, read a full chapter outline, then test their knowledge and comprehension with multiple choice and short answer questions. The study guide content features information drawn from diverse disciplines including business and sports. Over the course of the guide, students will have the opportunity to reinforce learnings in statistics and their measurement, data organization, descriptive statistics, and probability, both discrete and continuous, and more. Business and Economic Statistics Study Guide is an ideal resource to help introductory-level students fully grasp key concepts in statistics. Kristofor Paulson attended the University of North Dakota, Grand Forks, where he earned both a master's degree in business administration and a master of science in applied economics. He is currently an instructor of economics and finance at University of North Dakota, where his courses include principles of corporate...
