FIREFLY BOOKS LTD, Canada, 2016. Paperback. Book Condition: New. 229 x 190 mm. Language: English . Brand New Book. In her latest book, accomplished garden writer Judith Adam targets new homeowners in the brand new, still-to-be landscaped suburbs. Creating an attractive setting for a brand-new house is a high priority and hard to resist, as all improvements will add to the property's resale value as well as the enjoyment of the new home. With a light hand Judith Adam outlines the basic steps toward transforming an empty yard into a welcoming, appealing space, beginning with identifying a personal garden style and assessing the pros and cons of a site, then choosing, planting and maintaining plants. Your First Garden is a primer on the basic elements of landscape design and garden creation: planning for scale and balance, colour selection, and architectural features are all landscape elements that homeowners must understand. With a plan in hand the owner can then visit a garden centre using the expert advice on how to evaluate healthy plants. To help with plant selection there is a valuable annotated lists of annuals, perennials and shrubs for building a garden that blooms all season. Chapters include information on: * How property improvements build value into your new purchase; * Tips on budgeting garden improvements over several seasons; * Scale and balance in the garden; * Planting style and succession planting; * A landscaping plan checklist; * Evaluating soil with a tip sheet explaining soil chemistry and pH; * The science and art of fertilization, including organic humus; * The 10 critical gardening tools; * How to create garden beds from nothing; * Calculating soil and mulch quantities; * Planting suggestions for foundation, perennial and shrub beds; * Getting the best performance out of your plants with the...
