Brand New Book ***** Print on Demand *****.Excerpt from American, Boynton Directory: Containing the Address of All Known Boyntons, Boyingtons in the United States and British Dominions To all Boyntons of America: It is now nineteen months since I commenced my last researches to collect the genealogy and history of the descendants of William and John Boynton, from Yorkshire, England, who settled in the town of Rowley, County of Essex, State of Massachusetts, in the year 1638. I was born in the east parish of the town of Bradford, a few miles from the Boynton farms, and the original locations of our first settlers on this continent. I am the seventh generation of William; the five generations between us, of my immediate ancestors, were born and lived within a radius of eight miles from my old home; and my father related to me many unwritten traditions and historical facts, which have been verified and confirmed by the examination of County Court documents, deeds, probate, town, church and family records. My first purpose was to obtain my own complete pedigree, which was with much effort accomplished in a few weeks to my full satisfaction, and I found that my branch of lineal descent from William, formed a base line from which a correct survey of our two great families could be accurately mapped.
