Reviews

A high quality pdf as well as the typeface applied was exciting to see. It really is written in simple words and phrases rather than difficult to understand. You will not really feel monotony at any time of your time (that's what catalogs are for relating to in the event you question me).

Excerpt from Les Malheurs de Sophie It is to avoid the great evil of dependence on a reference vocabulary that the word lists have been arranged by chapters. This makes it more difficult for the pupil to look up words, and encourages him to make himself thoroughly independent by mastering his vocabulary at the outset.
