Reviews

This pdf is indeed gripping and interesting. It is definitely simplistic but shocks within the 50 percent of your book. Once you begin to read the book, it is extremely difficult to leave it before concluding.

Plume, 2014. Book Condition: New. Brand New, Unread Copy in Perfect Condition. A+ Customer Service! Summary: Praise for Mary Coin: " Mary Coin is quite simply one of the best novels I have read in years. "You'll know who you are when you start losing things," says one character, and the story burns in this quietly emphatic way, only to erupt in moments of excruciating pain and beauty. In her portrayal of a time in American history when survival was often a day-to-day thing, Silver drills down to the absolute essentials: family, love, loss, the perpetual uncertainty of life. Again and again I found myself wondering: How does she know that? Silver's wisdom is rare, and her novel is the work of a master." Ben Fountain, author of the 2012 National Book Award winner Billy Lynn's Long Halftime Walk "Marisa Silver renders the soul of an iconic image, giving it moving life. Mary Coin is a soaring work of imagination, dedication and history." Mona Simpson, author of My Hollywood and Anywhere But Here "An extraordinarily compassionate and wise novel, Mary Coin imagines the life of Dorothea Lange's iconic "Migrant Mother." What emerges, in Silver's nuanced, resonant telling, is a poignant exploration of a single life that touches many others, and a powerful, moving portrait of America during the Great Depression. Silver is one of those preternaturally gifted writers who can with the lightest of touches make the reader enter a world that feels as fully real as the one around us." Meghan O'Rourke, author of The Long Goodbye "Inspired by Migrant Mother , the iconic Depression-era photograph snapped by Dorothea Lange in 1936, Silver reimagines the lives of both the photographer and the subject.this dual portrait investigates the depths of the human spirit, exposing the inner reserves of will and...
