

The Thorngate Diaries (Paperback)

By Sandy Bigara

Home Grown South Africa, United States, 2015. Paperback. Condition: New. large type edition. Language: English . Brand New Book ***** Print on Demand *****.One thing has become abundantly clear: my novel is an absolute hit with teens and young adults, and older ladies have appreciated its simplicity. Based in South Africa, I have not had the funding needed to purchase and market my book here. Through the kindness of my readers a number of my books have been donated to high schools in Durban, South Africa, and this has brought my readership almost to 1000 (cute I know - it s early days!) Out of the 150 book and private ebook sales, I have had only 4 negative reviews. So if you are a teenager (or even a pre-teen!): buy the book! If you are an adult: proceed with caution, and a dash of youthful romance.again I say - this is a simple love story written when I was 21 years old. In May 2010, two weeks from publishing, a virus deleted the entire novel. I decided that this love story was worth telling. and started all over again! *This book has large print for the visually impaired*.
