A LIST, 2017. Paperback. Condition: New. A List. Language: English . Brand New Book. First published in 1968 by House of Anansi Press, the Manual for Draft-Age Immigrants to Canada was a handbook for Americans who refused to serve as draftees in the Vietnam War and were considering immigrating to Canada. Conceived as a practical guide with information on the process, the Manual also features information on aspects of Canadian society, touching on topics like history, politics, culture, geography and climate, jobs, housing, and universities. The Manual went through several editions from 1968-71. Today, as Americans are taking up the discussion of immigration to Canada once again, it is an invaluable record of a moment in our recent history.
