

Sarah (Hardback)

By Esther Vliegenthart

Graviant, United States, 2016. Hardback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Children with autism are often taught they have to adjust to our world and perceptions, because they play, communicate and take things in differently. As a mum, I have been experiencing that different isn't always easy, but can be beautiful if you keep an open mind to it. Like the poet Hans Andreus beautifully expresses in his poem: You are so beautifully different than I am, no more or less, but just beautifully different, I would never want you any differently different. I was looking for a book that took into account the language- and stimulus processing of children with autism. A book where children with autism can recognise themselves in the main character of the book. Where they'll say; That's how it happens at my house too, or, that's how I play too. A book with illustrations in adapted colours, where the characters do not look the reader straight in the eye and written from their perception. That's how the story about Sarah arose. I wish all parents and children with or without autism a lot of...

Reviews

Basically no terms to clarify. It is actually written in basic terms rather than confusing. I found out this ebook from my dad and I suggested this book to find out.
