Createspace Independent Publishing Platform, United States, 2010. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.The Shadows of A Life series is about a journey everyone takes. From the lonely writer, to being a mother, a wife, a daughter, a sister, to being an educator, a student, to relationships, to politics, to America s history, to being human. I hope with each volume to rattle your cage in some small way. That s what poetry is all about . . . stringing some type of emotion along a winding road. A Mother s World is simply about being a mother and the world in which she lives. There s nothing more rewarding than being a mother . . . even through the challenges. With each different age comes a different challenge . . . some good, some bad. That s okay . . . mothers prevail.
