Brand New Book ***** Print on Demand *****.Speaking to Yourself in Psalms, Hymns, and Spiritual Songs will uplift, encourage, and strengthen one's faith through God's Word coupled with the words of timeless hymns written centuries ago. With many churches removing their hymnals, sadly there will be a whole generation that will not know the powerful words held within these songs. Many truths and much wisdom can be gleaned from each one of these jewels. Like a songwriter who re-works music to many of these traditional hymns and makes them appealing to a new audience, Celli shares from her heart the deep meaning found in each song. She shows how they still relate to us today and the comfort we can find in their words.
