

## The European Union (Paperback)

By Armand Van Dormael

Createspace, United States, 2014. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.On March 23-24, 2000, at the Lisbon Summit, the EU heads of states and governments drew up a blueprint intended to make the European Union within ten years the most competitive and dynamic knowledge-based economy in the world, capable of sustained economic growth, with more and better jobs and greater social cohesion. This Summit was to be Europe's great leap forward. They foreshadowed the dawn of a golden age for the European economy. Despite the lack of results to achieve its goals, its proponents reaffirm them time and again, hiding their failure behind a facade of misinformation. The EU establishment takes comfort in the fact that the silent majority has no way to make its voice heard. Authoritarian regimes do not have to justify their legitimacy by proving their competence. The European Union functions in a virtual world of make-believe. The introduction of new and massive spending, taxation, regulation and redistribution schemes, on top of national legislation, imposes a heavy burden on the productive sector. After decades of working less and less for more and more, the European industry has largely priced...
