

Julius School Planner

By Paul Frank Industries

CHRONICLE BOOKS, United States, 2009. Record book. Book Condition: New. 228 x 204 mm. Language: English . Brand New Book. This planner is a lifesaver for busy students and features the oh-so-popular Julius! For each weekly spread, students fill in the dates and their classes, and then use the chart to keep track of their assignments, tests, and anything else they need to remember. Not year specific, this planner can be adopted any time during the calendar year. This title includes stickers for highlighting important events (like exams and birthdays), and the acetate-covered format is durable.

This book is definitely not simple to begin on studying but quite fun to see. I actually have read and that i am sure that i will gonna read through yet again once again in the foreseeable future. It is extremely difficult to leave it before concluding, once you begin to read the book.
