

The Street-Smart Manager: Crap Rolls Downhill, Plus Twenty-Four Other Rules That Will Help Make You. (Paperback)

Filesize: 3.95 MB

Reviews

*Complete guideline for ebook lovers. Better then never, though i am quite late in start reading this one. Its been printed in an remarkably simple way in fact it is only right after i finished reading this book through which in fact transformed me, alter the way in my opinion.

THE STREET-SMART MANAGER: CRAP ROLLS DOWNHILL, PLUS TWENTY-FOUR OTHER RULES THAT WILL HELP MAKE YOU. (PAPERBACK)

iUniverse, United States, 2009. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. I liked your book. It was easy to read. It was snappy. - Mark Sanborn, bestselling author of The Fred Factor Imagine that you have just been promoted to sales manager and the selected method for your training is through osmosis. This is the gradual, often unconscious, absorption of knowledge or ideas through continual exposure rather than deliberate learning. In short, there is no organized plan or structure to guide you along. The realization that this method of non-training still exists is a perplexing phenomenon. How can the successful manager pass on the legacy of his accomplishments to new proteges and others in a clear, crisp, and easy-to-read format? How can he train them to think like a manager? How can he help them to gain the wisdom of his experience? Michael Fishman is the perfect candidate to answer these questions. His twenty-five years of hard-earned practical knowledge have set the stage for a delightful transfusion of information. The style of The Street-Smart Manager is rapid-fire bullet points mixed with clever anecdotes that add some home-grown flavor to help the reader to appreciate the message.
