Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from An Etymological Dictionary of the Latin Language But it will be said that there are numerous words which we cannot show to be taken from the Greeks. Doubtless it is so, although the number of such words is constantly decreasing. When Vossius published his Etymology, he was ignorant that Pruina was nothing but So it was with numerous Other words. And future generations will probably supply from the Greek sound derivations of words, which to this time have been investigated in vain. Such words we have, as far as we have been able, traced on the one hand to the Northern, on the other to the Oriental languages. Not that these sources have been exhausted: much doubtless might have been added, but it is hoped that not a few valuable analogies have been here collected, and that on the whole the claims of the Northern and Eastern languages have received a patient and an attentive hearing. One word in regard to the Hebrew. Mr. Home Tooke thus expresses his objection to the derivation of Latin from that lan guage. It is a...
