Intermediate Algebra, Books a la Carte Plus Mylab Math -- Access Card Package

By Margaret L Lial, John Hornsby, Terry McGinnis

Pearson, 2017. Book. Condition: New. 11th ed.. Language: English . Brand New Book. NOTE: This edition features the same content as the traditional text in a convenient, three-hole-punched, loose-leaf version. Books a la Carte also offer a great value; this format costs significantly less than a new textbook. Before purchasing, check with your instructor or review your course syllabus to ensure that you select the correct ISBN. For Books a la Carte editions that include MyLab(TM) or Mastering(TM), several versions may exist for each title - including customized versions for individual schools - and registrations are not transferable. In addition, you may need a Course ID, provided by your instructor, to register for and use MyLab or Mastering products. Used books, rentals, and purchases made outside of Pearson If purchasing or renting from companies other than Pearson, the access codes for Pearson s MyLab products may not be included, may be incorrect, or may be previously redeemed. Check with the seller before completing your purchase. For courses in Intermediate Algebra. This package includes MyLab Math. The perfect combination to master concepts: student-friendly writing, well-crafted exercises, and superb support The Lial Series has helped thousands of students succeed in developmental mathematics...
